

DCH072L2-GB – 12V XR Brushless Ultra Compact SDS-Plus Hammer - 2 x 3.0Ah

The DEWALT 12V XR Brushless SDS-Plus Hammer Drill has been constructed for heavy duty applications. The Compact, lightweight and ergonomic design provides improved comfort and support during extended operating periods. The Brushless motor delivers reduced friction and better runtime which enables more power to be delivered during application resulting in less wear and increased longevity of the tool. Ideal for drilling anchors and fixing holes into concrete, brick and masonry.

Features and Benefits:

- 12V XR power tool battery platform for extra-long run time and the convenience of rechargeable power tool batteries
- Brushless motor provides improved runtime and durability
- Compact, lightweight and ergonomic design for improved comfort and support during extended operating periods
- Bright white LED with delay feature improves visibility
- 1.1J of impact energy, 0-4280 bpm with a no-load speed of 0-910 rpm, ideal for drilling anchors and fixing holes into concrete, brick and masonry from 4mm to 14mm

Specifications:

- Power Source – Cordless
- Battery Technology – Lithium ion
- Voltage – 12V
- Weight – 1.7 Kg
- Max Drilling Capacity (Concrete) – 14 mm
- Max Drilling Capacity (Metal) – 10 mm
- Max Drilling Capacity (Wood) – 13 mm
- Impact Energy – 1.1 J
- No Load Speed – 910 Rpm
- Sound Pressure – 86 dB (A)
- Sound Power – 97 dB (A)
- Sound Uncertainty – 3 dB (A)
- Vibration Drilling into Concrete – 9.7 m/s²
- Vibration Uncertainty Concrete – 1.5 m/s²
- Vibration Drilling into Metal - <2.5 m/s²
- Vibration Uncertainty Metal – 1.5m/s²

Supplied with:

- DCH072 12V SDS Drill
- 2 x 3.0Ah 12V batteries (DCB124-XJ)
- DCB112 charger
- T-Stak Kit Box
